Meet Me Trieste Östersund

2022-1-SE01-KA210-ADU-000082826

* Describe the impact of the visit on you personally

Ullas dream is materialised, Sergio: despite all our differences, historical, cultural and organisational, it's amazing how easy it is to connect to each other. Gabriel: had no prejudice when he came here, learnt that we are working great together as one group. Anton: has broadened his perspectives. Marja: generosity and friendship. Sara: learnt an more relaxed way of working, Ida: curious to learn more.
